Dick and his wife Donna.

DICK STRAIT

Dick Strait, a father of two sons and one daughter, and husband to Donna Strait has been recently diagnosed with Myelodysplasia Syndrome, a form of Leukemia. He is currently undergoing Chemotherapy treatment and is in need of a bone marrow transplant.

Dick and Donna have been volunteers in Teller County for 20 years. They have been involved in Boy Scouts, 4-H, church programs, Eagle Scouts, Cub Scouts, Teller County Fair and in their schools. Donna is a teacher so some of you may know her from teaching in Teller County. Dick works for Hewlett Packard and Donna works for Caldwell Banker in Woodland Park.

Help Dick and everyone in need of a life saving transplant by joining the registry today. It's quick and painless to get tested.
